International travel involves risk. Risk can take many forms, including recreational accidents, food-borne disease, and automobile accidents, among others. Oftentimes the insurance you rely on in your home country will not cover you while you are abroad. MultiNational Underwriters® (MNU) offers the Day Tripper Group Travel Series, one of the industry's leading international insurance products, to protect each group member while traveling outside of his or her home country.

Day Tripper Group Travel Series is ideal for:

- Missionaries
- Student Groups
- Corporate Groups (short to mid-length)
- Organizations

If your group consists of a minimum of five travelers who are at least 14 days old and traveling internationally for at least 5 days, your group is eligible. Coverage is available for periods of 5 days to 12 months!

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? MNU is experienced in arranging emergency medical evacuations. The Day Tripper Group Travel Series will cover the necessary expenses to transport the member to the nearest medical facility qualified to treat the life-threatening condition. We also understand the importance of family support in these difficult situations. The Day Tripper Group Travel Series will also cover the transportation, lodging and meal costs for a relative to join the member after an emergency medical evacuation.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of a member's death while traveling abroad, the Day Tripper Group Travel Series will arrange for and cover the costs associated with the repatriation of his or her remains.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If a member is hospitalized as an inpatient for treatment of a covered illness or injury, the Day Tripper Group Travel Series will provide \$100 for each night spent in the hospital.

Trip Interruption

One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, the Day Tripper Group Travel Series will cover the cost of a one-way, economy class ticket to the airport nearest your home.

Other quality benefits offered by the Day Tripper Group Travel Series:

Return of Minor Children: If a member of your group is expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, the Day Tripper Group Travel Series will cover the transportation cost for the children to return home.

Complications of Pregnancy: The Day Tripper Group Travel Series offers coverage for Complications of Pregnancy during the first 26 weeks of gestation.

Terrorism: In these turbulent times the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, the Day Tripper Group Travel Series offers coverage against injuries resulting from these acts.

Political Evacuation: If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, the Day Tripper Group Travel Series will coordinate your alternate departure arrangements from that country and cover the associated costs.

Optional Hazardous Sports Rider: If you plan to participate in hazardous sporting activities such as mountain climbing or whitewater rafting, you may consider our Sports Rider. This optional rider will provide medical coverage for injuries resulting from an accident during participation in one of these activities otherwise excluded from coverage.

Hospitalization & Outpatient Treatment: If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization care, including intensive care, and outpatient treatment.

Natural Disaster Benefit: Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip causing a member to become displaced from his or her accommodations, the Day Tripper Group Travel Series will provide relief of \$100 a day to help cover the costs of alternative accommodations.

Home Country Coverage

Incidental Visits: For each three month period of continuous coverage, the member is entitled to 15 days of coverage against covered injuries or illnesses that occur during a temporary visit to his or her home country. The purpose of the trip home must not be for obtaining medical treatment for an injury or illness that began while traveling abroad, and members will be required to continue the international trip.

End of Trip: The Day Tripper Group Travel Series offers optional 30-day medical coverage in the member's home country upon return from his or her international trip. Coverage must be maintained for at least six months to be eligible for this coverage.

Benefit Period: If a member is treated for a covered injury or illness while traveling internationally, the plan will provide 180 days of coverage, beginning on the day of diagnosis or treatment, for that condition whether the member is at home or abroad.
